Aug 20th Dear Daddy  
your letter and  
order came yesterday  
I had to hear from  
and hope you  
get sick. C. & L. are both  
sore sick. If they are  
able to be carried will  
go home tomorrow. Dr.  
will go with me and  
we will be company  
for me. I am afraid to  
go without Dr. with me  
we can know just what  
to do for them on way. I  
hope the  
children soon get better  
I will see you real soon  
I love you  
Laura
